

We invite you to become a partner of ACOF and join us in our mission to end homelessness through the provision of quality permanent supportive housing for people with mental illness. On June 5, 2024 honorees, and corporate and community leaders will gather together for an evening of connection, generosity, and celebration.

There are five partnership levels to choose from, to help ACOF continue the important work of providing homes and comprehensive services. As a partner, you will receive public acknowledgment, tickets to the event, and various other benefits. Most importantly, you will be publicly demonstrating your commitment to ending the homelessness crisis in Southern California.

For more than three decades, ACOF has been at the forefront of creating permanent, supportive housing solutions, enabling those impacted by homelessness and mental illness to lead independent lives. Presently, ACOF has 46 properties throughout Southern California, serving a diverse tenant base of single adults, families, children, seniors, transitional-age youth, and veterans. We are actively expanding our impact with an ambitious thirteen additional properties in the development pipeline.
