2026 AWARDS CELEBRATION

ABOUT ACOF

A Community of Friends (ACOF) is a nonprofit affordable housing developer whose mission is to end homelessness through the provision of quality permanent supportive housing for people with mental illness.

ACOF started in Los Angeles in 1988, and now serves five counties: Los Angeles, Orange, Riverside, San Bernardino, and Ventura.

On **June 4, 2026** our annual Awards Celebration will be at **Candela La Brea**, a historic 1920s property in the heart of **Miracle Mile**. Come celebrate in cocktail party style at this classic art deco venue as **A Community of Friends** honors changemakers and celebrates another year of impact and working towards our vision of ending homelessness for people living with mental illness.

Our flagship annual event - the ACOF Awards Celebration - brings together key people in real estate, corporate, public, nonprofit, and philanthropic sectors committed to ending homelessness, to recognize esteemed honorees and hear directly from ACOF tenants about the stability and hope that permanent supportive housing creates.
